

BTRB WEBSITE INFORMATION ARCHITECTURE

## SUB PAGES IN THE FOOTER

### About Therapy

This page will address common questions/FAQ about CBT (What it is, what can be treated, how it works, CTA to get in touch)

### Resources

This page works like a blog. A backend will be provided for admins to upload PDFs, which will be published as blog posts on the site.

### Therapist Directory

For Now a Sheet/Table option will be displayed with activation control: Admins can activate or deactivate therapists with a simple button —this is included in the existing plan.

## OTHER OPTIONS

### News & Events Widget

Admins can add a headline and description, which will appear at the top of the homepage under “Latest News.”
